

Smile India Trust

Dear Donor,

We are glad to share that with activities undertaken by our team in October-2020, we've been significant in bringing a positive change in the lives of many needy ones. It feels great to showcase our efforts with a hope that maybe, it will inspire more people to come forward and lend their support to the helpless people.

Like every month, This October we are sharing the various activities done by us. Our activities include the distribution of food to extend support to save lives of underprivileged people of our society etc.

As India fights to stay afloat amidst the COVID 19 lockdown, awareness is key, especially in rural areas and interiors. We are making people aware of the safety and preventive measures they must take to protect themselves against COVID 19. In this difficult times, we got the chance to save our society and work for needy people to spread the bliss of giving love.

We pray for all to stay safe and stay healthy. Let us fight together against Covid-19 and flatten the curve together by staying indoors.

Thanks for your tireless support in enlightening the lives of many.
