**Dear Donor,**

We are glad to share that with activities undertaken by our team in December-2020, we've been significant in bringing a positive change in the lives of many needy ones. It feels great to showcase our efforts with a hope that maybe, it will inspire more people to come forward and lend their support to the helpless people.

Like every month, This December we are sharing the various activities done by us. Our activities include the distribution of nutritional food, socks, blankets to extend support to save lives of underprivileged people of our society during this extreme winter season etc.

In this difficult times, we got the chance to save our society and work for needy people to spread the bliss of giving love. We pray for all to stay safe and stay healthy. Let us fight together against Covid-19 and flatten the curve together by staying indoors.

Thanks for your tireless support in enlightening the lives of many.
